FIRST PEOPLES WELLNESS CIRCLE NATIONAL GATHERING - VIRTUAL

*Caring for our Bundles: Healing and Resilience
During and After the Pandemic*

Date: November 16, 17 & 18, 2021

Time: 11:30 a.m. – 4:30 p.m. (ET) each day

Over the course of the pandemic First Nation communities have demonstrated how their knowledge, strengths and gifts are central to their wellbeing. Our caregivers, the mental wellness workforce, continue to support the Nations despite the increased gaps and challenges faced by First Nation communities during the pandemic. Join us for our first National Gathering of Mental Wellness and Crisis Support Teams. We are inviting Mental Wellness & Crisis Support teams along with Knowledge Keepers, Community Helpers, Partners & other Allies to join our Gathering to celebrate our teams and support their wellbeing.

Registration is now open; you can register online here:
